

ALLIES FOR EVERYONE

VIBE MAGAZINE “Allies For Everyone’s melody-driven sound is a combination of gut-wrenching soul and electro happy bounce. Dance, weep and burst into laughter all at once via Brian’s aural aptitude.”

URB “Allies skillfully crafts the feel of synthpop in a club setting, with grooves that are soul-stirring and most importantly, fun.”

INTERVIEW MAGAZINE “A peaceful sentiment drifting on top of an insistent pulse: that’s the Allies guarantee. The music is fuller, the beats more perplexingly intricate, and the tone more unequivocally playful.”

OUT “Blending club and pop music is hardly a novel idea these days, but it’s rarely done with as much warmth and generosity.”

TIME OUT NEW YORK “Beautifully innocent club tracks that serve as the perfect alloy of sweet ’80s synth-pop and new-school electro-jack, Allies have found a sound that should – and probably will – melt the coldest of hearts...”

Allies’ most recent release, ‘Record Is Over’ on Plant Records April 2014, is receiving international props, including **Skream / Magnetic Man** (BBC Radio 1) “5 out of 5, Sick” and **Lee Foss** “4 out of 5”.
